8) Who was responsible for nationalization of banks in India? Output Description:	
○ Jawaharlal Nehru	

Marxists criticized Indian planning arguing that it failed to involve state in a radical manner and failed to organize and mobilise labour extensively.

Ecological critiques of Indian planning heavily criticized the big projects of state stating heavy repercussions on environment, livelihood and displacement.

Thinkers of the liberal thought criticized Indian planning because according to them the State has a strong role which hinders the development of private
